# Dedication

*"And gladly wolde he lerne and gladly teche."*

It is with a deep feeling of gratitude that we recall what Miss Idol has meant to us as students. She has been more than a teacher. Her personal interest in the students, her willingness to help in any way, and particularly her assistance to the yearbook staffs has endeared her to us. She not only serves us students by constantly encouraging us, but also by setting an example that each of us would be proud to follow. We take great pleasure in dedicating this 1956 ZENITH to

MISS E. VERA IDOL

## Our President

The sign over his door reads simply, "Dr. Dennis H. Cooke, President." Yet, stamped indelibly on the minds of all who read this, there is an added line which might read, "a bulwark of strength and inspiration to his faculty, students, and to every member of his staff." His faith in High Point College as a growing, developing institution has led to the several additions and improvements made to the college in the past few years. His enthusiasm and spirit have caused the college to grow until its enrollment far surpasses that of only a few years ago.

## Dean of Students

As you enter the office, the smoke screen laid by the ever present pipe parts, and through the haze a warm, friendly voice inquires, "What can I do for you?" Without further introduction you know you are in the office of Dean of Students, J. H. Allred, always ready to advise or counsel students who come to him with problems.

## Dean of Instruction

Dr. Harold Conrad is a newcomer to High Point College and to the Southland. In the past year as we have turned innumerable times to him with our questions about credits, hours, required subjects, and any other problem pertaining to academic life on the campus, we thank the Fate that sent him to us. Already he has proved a friend, ally, and an invaluable asset in his capacity as Dean of Instruction.

## Freshman Class

### "Just Give Us Time"

Here we were, the mighty seniors from our respective high schools, inferior freshmen all over again! It just didn't seem possible that within three months' time we were no longer the looked-up-to graduates, but "greenies" to be shown and taught a completely new way of life.

Soon, however, after getting settled in our rooms and taking placement tests, that re-born feeling disappeared, leaving us with the hopes that soon we too would be in those lucky numbers of upperclassmen— those students who so carefully explained why to get this professor or that, or the ones who pre-warned us about over cutting and board meetings, and those encouraging spirits who delightedly frightened us nearly to death about freshman beanies *vs* the Judiciary Council.

But when basketball season started up and Thanksgiving holidays relieved us of those "everlasting top pieces" (better known as beanies), we discovered, after taking our precious cuts to go home for the first time, that being a freshman wasn't so bad after all.

Second semester came and with it more ease and confidence in ourselves, for we had managed to struggle through our first big exams. We looked forward to our freshman dance and other activities through which, by hard work, we were drawn closer together and felt for the first time that we really had a place here. This was really college.

Now, for the Class of '59, freshman year is all over. And as we look back over this, our first year as college students, we feel very proud of the way we came through it. Nothing will ever replace our memories of freshman year, but we eagerly await to add to these, recollections of future years at High Point College.

## Panhellenic Council

One of the main purposes of High Point College's Panhellenic Council is to promote co-operation and harmonious relationships among our four sororities and faculty and to make college life as congenial as possible.

This year marks the first in which the council has been established. It has resulted in closing any gaps of hostility which might have existed before and has served its purpose in instilling into the hearts of every sorority member the true spirit of sisterhood.

Being the first, these council members recognized the importance of a firm foundation—one which will not totter as future councils build upon its precedents.

A successful rush season opened with a tea and open house, continuing in a round of activities which culminated with the pledging of fifty-three girls to the various sororities.

Toby Barrier, *President*; Avie Gunn, *Vice-President*; Mary Lou Lanier, *Secretary*; and Bobbie Turner, *Treasurer*, served as the four foundation stones of this organization which holds untold promises.

Members of the Panhellenic Council as pictured at the left are: Bobbie Turner and Mary Lou Lanier, Kappa Delta; Camilla Isley, Lambda Alpha Phi; Betty Ann Tysinger, Phi Mu; Toby Barrier, Alpha Gamma Delta; Avie Gunn, Phi Mu; Ellen Elgin, Lambda Alpha Phi; Vickie Washburn, Alpha Gamma Delta.

# Interfraternity Council

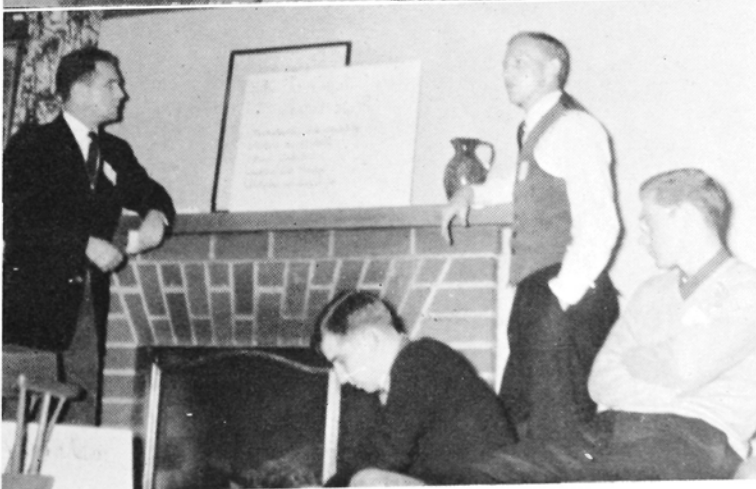

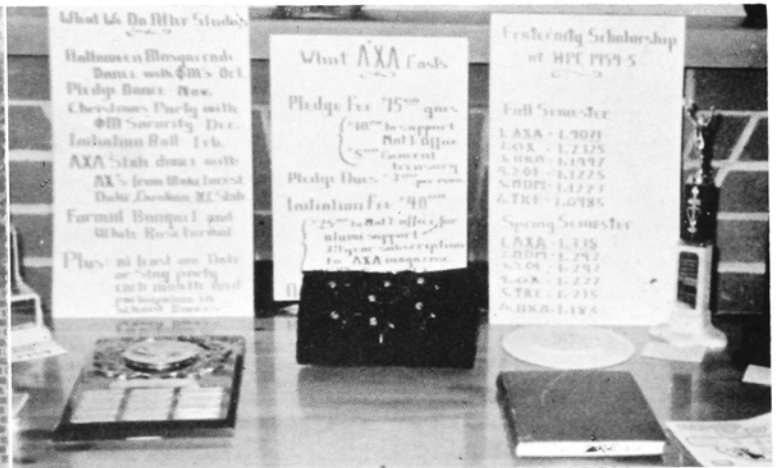

The Interfraternity Council is composed of representatives from each fraternity on the campus. Its purpose is to promote friendship among the brotherhoods.

Not only does this friendship last throughout college life and with friends made on the campus, but will extend far into the future. The experiences in organizing, planning and working together on various projects trains young men for life after leaving college. In the associations of the fraternity men with the business world or professional world, the influence of their invaluable training will be evident in every respect.

The council sponsors each year a big Christmas dance and a gala springtime affair.

This organization along with the many others on the campus is one of the reasons for the progress and development of High Point College.

Members of the Interfraternity Council as pictured at the right are: *First row, left to right:* Jerry Kennerly, *President*, Lambda Chi Alpha; Jack Parks, *Vice-President*, Pi Kappa Alpha; Bob Ross, *Secretary*, Sigma Phi Epsilon. *Second row:* John Perry, Sigma Phi Epsilon; Bill Gray, Theta Chi; Bill Andrews, *Treasurer*, N.D.M. *Third row:* Craig Kester, Lambda Chi Alpha; Jack Jones, Tau Kappa Epsilon; Bob Duncan, Pi Kappa Alpha. *Fourth row:* Roger Shelton, N.D.M.; Fred Peters, Tau Kappa Epsilon; Briggs Leonard, Theta Chi.

With high hopes and eager plans Alpha Gamma Delta came to High Point College in the fall of '55. October came and so did rush week, along with the fun of planning for two weeks of getting to know the girls. With twelve new pledges the Alpha Gam's enjoyed a successful year of meetings, intramural basketball and volleyball, parties, and their first Feast of Roses.

The Lambda Alpha Phi Sorority was organized on March 10, 1953, with the basic idea that friendship is the highest degree of perfection in society. Desiring to uphold this idea, the members strive to be loyal friends not only to their sisters, but to all with whom they come in contact. They seek to grow in proper development through fellowship, work, and co-operation—upholding the college and the Christian ideals.

The Gamma Zeta Chapter of Phi Mu Fraternity was chartered on October 3, 1953. Phi Mu Fraternity is founded upon the basic principles of love and mutual understanding. The relationship the members share is further enhanced by the friendliness and sociability of group life engendered by the members of the fraternity. They bring, also, the love and friendly comradeship of the members of our many collegiate chapters and alumnae groups who are now actively engaged in upholding the high standards which Phi Mu has established through the years.

In our memories, 1955-56 school year lives on. How could we forget—the rush party at Jamestown Legion Hut—the organization of our Alumni Hut—the happy children at our Christmas party—much emotion. Alumni, brothers, and pledges—moving into C section—complications of making our sign—the field secretary, Jim Hood, and his report of Epsilon Alpha Chapter—plans for Mason-Dixon Jubilee.

We also remember—Bill Brown's office hours—Willie's dollars worth—Green Vs. Gatling and Kirkman—Bill Erwin and the pledges—Brown's, "Let's go eat"—Smithson's, "What's good about it?"—Glen wants two—Utley, "Let me see your demerit card."—Mullican, the cat-man—Scott, "Better find some wood"—Willie, "get out of bed"—Sweety Pig-Noble—Utley, still the melting snow man from last year.

Yes, these and more memories will we forever have from the year '55-'56.

ARTHUR PASCHAL,  
DIRECTOR OF ATHLETICS

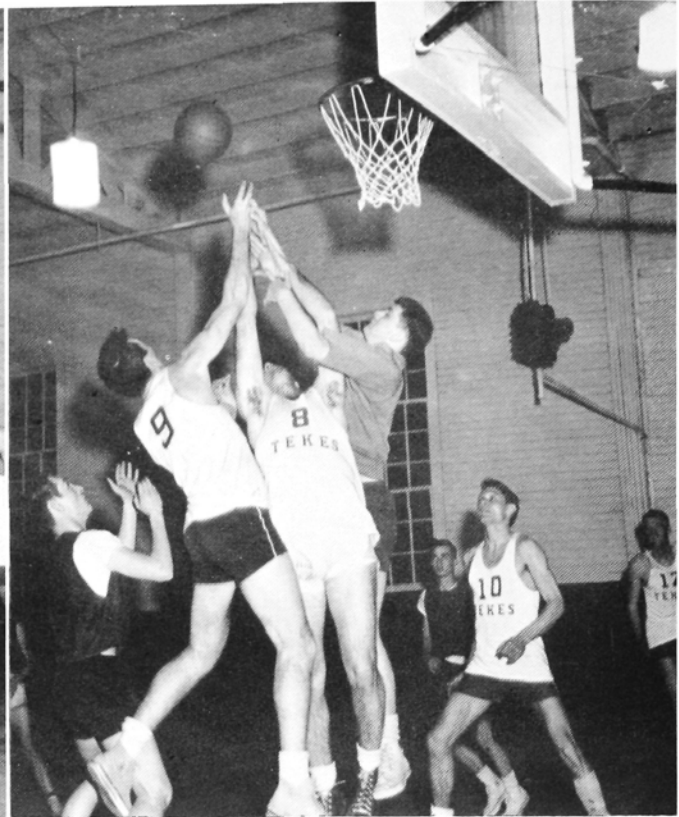

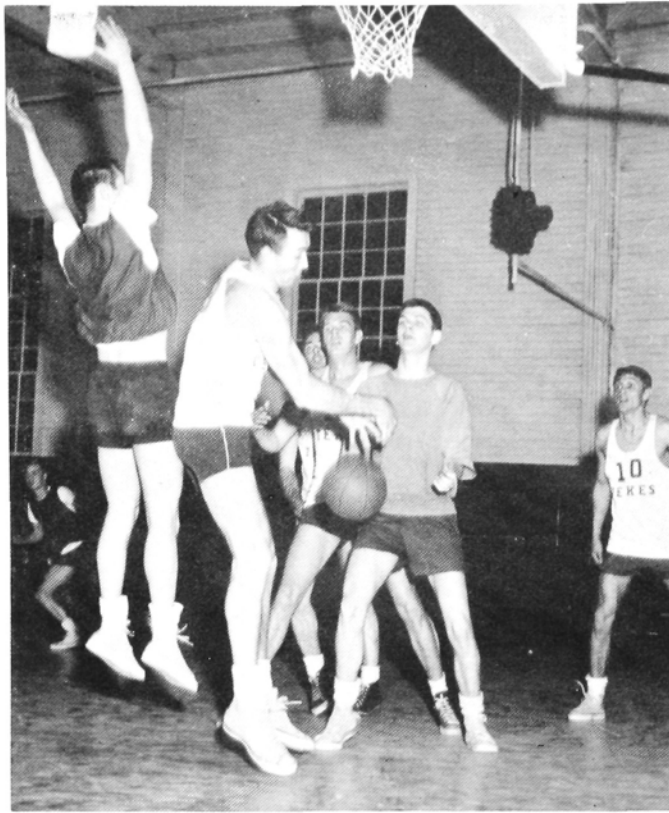

Mr. Arthur Paschal received his B.S. degree from Northeastern State College, Oklahoma, and his M.S. degree from Oklahoma A&M where he taught for one year. Mr. Paschal came to High Point College in 1948. Since then he has won the respect of H.P.C. students by constantly working for their interests. Mr. Paschal takes special pride in the extensive development of participation in intramural sports during recent years.

## Pemm Club

This year, under the leadership of Miss Elizabeth Stillman, the physical education majors of High Point College organized the Pemm Club. With Miss Stillman as adviser, the club is striving to make a place for itself among the other campus organizations.

# Intramural Athletics

The planning of the intramural program for High Point College is handled by Mr. Arthur Paschal's Physical Education 3 class. Each year, prior to April 15, preparations are made for the ensuing intramural season. Football, basketball, softball, volleyball, golf, tennis, and a ping-pong tournament are the sports which are set up for students' participation. The success of the intramural program increases annually. This year better than 60 per cent of H.P.C.'s students participated in some phase of intramural activities.

Trophies are presented to the winners and the

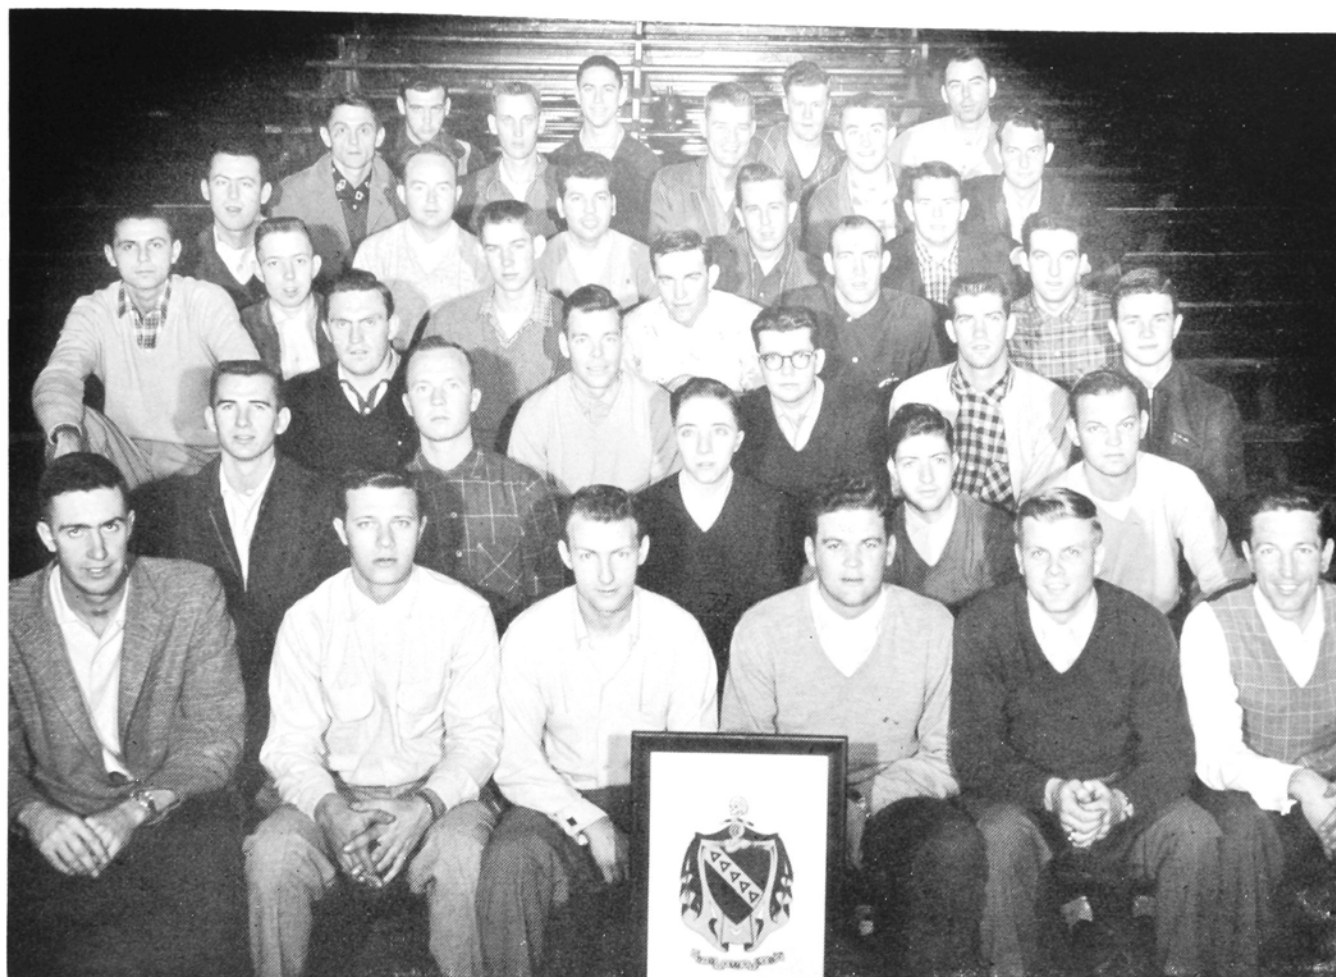

runners-up in all sports by the physical education department.

The greatest attribute of our intramural program is the spirit which develops among the students who play the sports and those who cheer their team to victory. The program has become an important part of the college life of many students. The hard work which has been conscientiously given for the improvement of intramurals has not been in vain because our intramural program has grown each year. Intramural athletics truly play a vital role on the students' stage at High Point College.

# Intramural Champions

"Beat the Tekes" has become the watchword of all other fraternities on the campus and TKE teams are consistently making their opponents eat those words. For the past two years the TKE fraternity has dominated intramural athletics. So far this year the Tekes have swept all of the sports championships into their fast growing collection.

A little extra effort had to be made before the Tekes could call the football crown a TKE possession, but they proved their right to the crown by edging out the Pikas and the Lambda Chi. Led by the passing of Bunny Cochran and the receiving of Jerry Royals, the TKE offense clicked off scores with amazing regularity while their opponents beat uselessly against the TKE forward wall which was anchored by Don Roberts and Mus Levina.

Volleyball season enabled a fighting Teke team again to show its superiority. The Tekes were

followed in the race by the Lambda Chi and the Sig Eps.

Basketball season opened with everyone speculating on the power of the Tekes. The TKE soon displayed its prowess in customary fashion by taking the measure of all comers.

The Pikas led by "Dead Eye" Dale Swaringen and the Lambda Chis with Don "Bo Diddley" Davis and Ray Whicker threw a scare into the mighty Tekes, but a scare was all that they could muster. David Moore, Jim Harris, Spec Allred, and company proved too powerful, and another championship went to the Tekes.

Tribute must be paid to this fraternity because it has made a unique athletic record. The Tekes have produced some very good clubs, and the other fraternities are still crying, "Beat the Tekes."

## WOMEN'S INTRAMURALS

Women's Intramural Sports included a series of volleyball games played among the sorority teams and a team, the 2D's, consisting of dormitory and day students. The program was ably supervised by Miss Elizabeth Stillman, Women's Director of Physical Education, and Martha Ellington, intramural manager of the W.A.A.

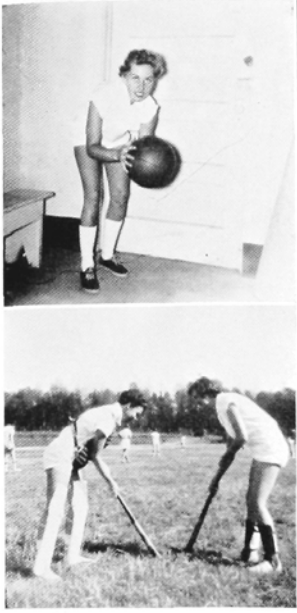

Although the Lambdas were never victorious, they offered real competition. The Alpha Gams really had to hustle to beat the "scrappy" Kappa Deltas, and the Phi Mus broke even with two wins and two losses. Only the 2D's, pictured at top, remained undefeated. They won the championship by outscoring the Alpha Gams the first two games of the final play-offs. This put the Alpha Gams, middle picture, in second place.

For the first time, a "Girls' All-Campus Volleyball Team" was selected by all people participating in the intramural program. These girls are shown in the bottom picture as they represent the various teams. They were chosen by popular vote for their outstanding ability and contribution to their respective teams. Congratulations, girls!

Our President.

How could such a little ball cause so much confusion?

*First row, left to right:* Barbara Edwards, Vivian Tuttle, Carol Ellerbe, Vickie Washburn, Bobby Turner, Sara Owens, Martha Ellington, Pat Hester. *Second row:* Jackie McCulloh, Betsy Rouse, Elsie Oakley, Jo Ann Spell, Gaynelle Pennell, Betty Mullis.

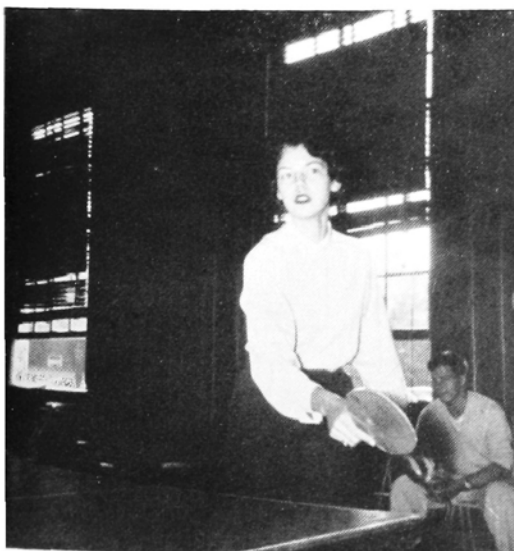

Fore!

Practice makes perfect.

The Women's Athletic Association has had a full athletic program this year. In the fall, its members participated rather successfully in a Playday at Greensboro College. In the activities of the day, the lassies of High Point were second only to Woman's College. Ann Sherrill won the tennis singles, but Jane Thornhill and Barbara Edwards, although playing hard, bowed to Woman's College in the doubles finals. Woman's College also defeated the High Point's volleyball team in the semi-finals.

The W.A.A. sponsored a hard working and successful basketball team. The team owes much of its success to the efforts and loyalty of Gene Duke and Miss Elizabeth Stillman.

Five intramural basketball and volleyball teams, also sponsored by the W.A.A., participated in the games of the Intramural season.

Everybody's favorite—ping pong.

## Student Christian Association

The Student Christian Association of High Point College is made up of the entire student body. Its operation is handled by a council of three officers, two representatives from each religious organization, and four advisors.

The Student Christian Association Council serves as the co-ordinator of all our religious activities, and its purpose is “. . . to stimulate religious life so as to foster a more Christian attitude among students.”

November 6-9, the Reverend Emmett R. McClarty, pastor of the First Methodist Church in Salisbury, North Carolina, led the student body in a Religious Emphasis Week. The theme, “These Things Matter,” had much significance for the students and faculty. Religious Emphasis Week climaxed with an impressive Communion Service. Its influence continues.

The Student Christian Association has many varied activities. There are morning devotions Monday through Saturday, and each evening there is time for private meditation and prayer in Lindley Chapel. Wednesday night Prayer Meetings and Sunday Vespers are both sponsored by the Student Christian Association.

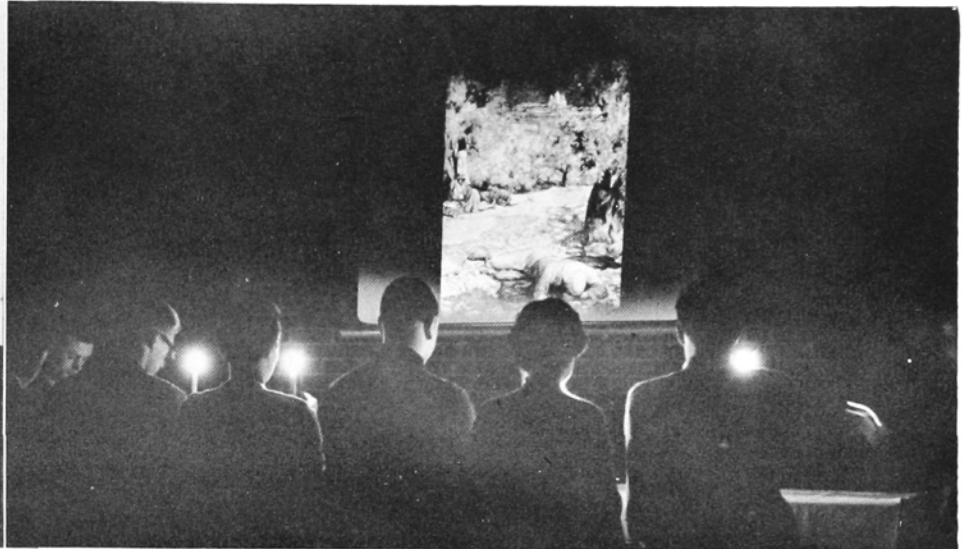

Recreation plays an important part in the activities of the Student Christian Association. This year the students enjoyed looking forward to the use of some newly purchased equipment.

Under the sponsorship of the Methodist Student Fellowship in 1949, the High Point College Student Body agreed to adopt a ten-year-old Greek girl, Vassiliki Downa. In 1951, this project was taken over by the Student Christian Association. This summer the students' bond with her was greatly strengthened when Dr. Cooke was able to pay her a personal visit. Through her many interesting letters, the students, her foster parents, have come to feel as though she were a member of the family.

Endeavoring to develop in students a Christian philosophy of life through a wholesome, spiritual atmosphere, the Student Christian Association encourages worship and participation in religious activities, thus integrating the social, cultural, and religious life of the students.

## Baptist Student Union

The 1955-56 school year was a very busy one for the Baptist Student Union. With September came registration and the introduction of freshmen to college life. The first party of the year was held in October and the dedication service several weeks later. Preparing for the state convention took many hours in November. The convention week-end brought inspiration and fellowship to the local B.S.U.'ers.

Participating in a joint meeting with W.C., Oak Ridge, and Guilford in December was an enjoyable experience. Plans were made for future meetings of the same type.

Bob Gatling, local president, represented the groups at the state council meeting.

A second joint meeting was held in February and in March a meeting of the schools took place at Guilford. Elections in the local chapter were held later in the spring and a good slate of officers were elected for next year.

Aiding the president Bob Gatling in the leadership of the B.S.U. this year were: Judy Seward, *Vice-President*; Hazel Shore, *Secretary*; and John Petty, *Treasurer*.

# Methodist Student Fellowship

The Methodist Student Fellowship is "the Methodist Church at work on the college campus." In the lives of Methodist students it replaces the Methodist Youth Fellowship to which they belonged in their local churches before entering college. All students are welcome to belong to the Fellowship and enjoy the benefits of fellowship, service, and worship which it gives.

Activities for this year began with a campfire service held on the ball field. The annual pledge service for both the local organization and the national Methodist Student Fellowship Fund was held in October. During this year, the bi-monthly programs have included a panel by the foreign students, a party given in conjunction with the student nurses at High Point Memorial Hospital, creative services, and outstanding speakers.

Delegates from the local group attended the National Convocation of Methodist Youth at Purdue University last August, the district Methodist Student Movement Conference at Bennett College in Greensboro, and the Student Volunteer Conference at Ohio University in December. This spring, the state Methodist Student Movement Conference was held here on the High Point College campus, the local group serving as host to students from many of the colleges in North Carolina.

The Methodist Student Fellowship officers for this year have been Voncyle Linthicum, *President*; Mark Rose, *Vice-President*; Babs Huntley, *Program Chairman*; Shirley Corder, *Secretary*; Fred Herbert, *Treasurer*; Fred Macon, *Student Government Representative*; Ronald Everett and Jane Thornhill, *Publication Chairmen*; Phyllis Singleton, *Chairman of Community*; Camilla Isley and Frances Wilson, *Publicity Chairmen*; Fred Barber, *Community Service Chairman*; Frances Wilson, *Devotional Chairman*; Wilbur Jackson, *Student Christian Association Representative*.

# Fellowship Teams

Fellowship Teams are organized for the purpose of strengthening the youth program in local churches, leading youth in more abundant Christian living, and enabling our students to gain experience in the youth work of the church.

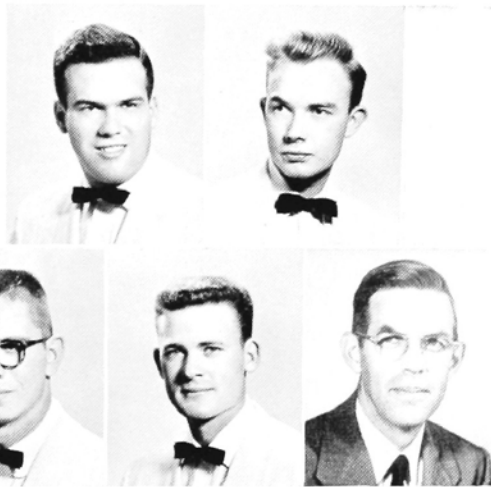

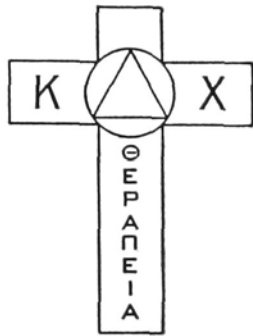

This year, sixty-five students are participating in the Fellowship Team program — fifty-three as team members and twelve as alternates. All of the members of the ten teams have participated in a special training period.

The ten team chairmen for this year have been: Garland Young, Babs Huntley, Patsy Jo Hunter, Fred Macon, Ken Paxton, Phyllis Singleton, Patsy Hobbs, Libby Broome, Camilla Isley, and Nellie Mae Jones.

Guiding the entire program has been the steering committee, members of which are: Garland Young, Harry Long, Wilbur Jackson, Margaret Ann Whitesell, and Jane Thornhill.

# Kappa Chi Fellowship

OFFICERS, *left to right*: Harry Long, *President*; Coy Brown, *Vice-President*. *Second row*: Wilbur Jackson, *Secretary*; James Smith, *Treasurer*; Dr. William Locke, *Advisor*.

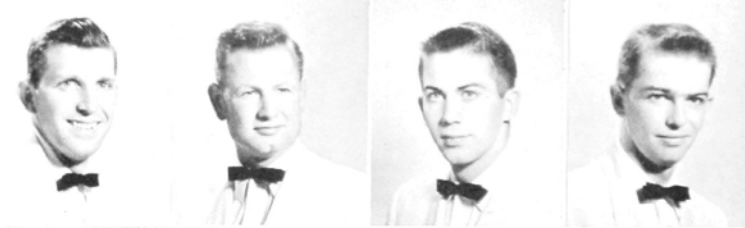

Kappa Chi, a national Fellowship of Christian Service is represented at High Point College by Chi Iota Chapter, whose membership consists of male students who are preparing for full time Christian service. Chi Iota Chapter's purposes are to provide and promote "a medium of instruction, inspiration, and the realization of true fraternity in order that its members may mutually share worship, fellowship, and service based on the high ideals of Jesus Christ."

In addition to their weekly meetings, Chi Iota Chapter engages in many other activities and projects designed to help build the Fellowship and at the same time, to serve High Point College and the surrounding community. Such activities include intramural athletics, a Christmas nativity scene, vesper programs, morning devotions, supply preaching and teaching, sending CARE packages, and painting Lindley Chapel.

# Sophomore Class

*"Coming Along Fine"*

A good hot breakfast to start the day off right.

"We've got to have that championship. . . !"

Just the thing for relaxing. . . .

"Got to hold that 'C average' you know. . . ."

We, the Class of '58, have now marked down another year of progress, a year in which we have accomplished some of those ideals toward which we have aimed during our two years at High Point College.

This has been a big year for our class and a formative one. We started off our Freshman year united, but a little shaky. Now we have our class spirit and our members have entered whole-heartedly into the various campus activities, becoming important people in the framework of the college community. We can judge a little better what we want to get out of our four years at High Point College, and are relating our interests and picking and changing our major fields.

A few members of our class did not return after the freshman year, and still others will leave at the end of the year. This is somewhat disappointing to us, but we realize that it is all part of college life, so we set our teeth more firmly and march on.

We as Sophomores have had our proud moments, ironic incidents, and many hours of study. However, we have learned a lot; and we really feel "at home" in classes as well as in the bookstore and in campus organizations.

Looking back, we can remember this, our Sophomore year at High Point College, as one of the fullest we have ever known. It will be remembered by all of us as a year filled with fun, hard work, many new friends, and wonderful times. During these nine months, we have climbed a little higher on the scale of maturity, and we, the Class of 1958, can look forward to our Junior year with confidence and with hopes of making good the third act of our performance in this thrilling drama called college.

# Tower

Members of the Tower Players are people whose pet love is dramatics and who enjoy spending long hours in rehearsing, painting scenery, selling tickets, collecting properties, or making costumes.

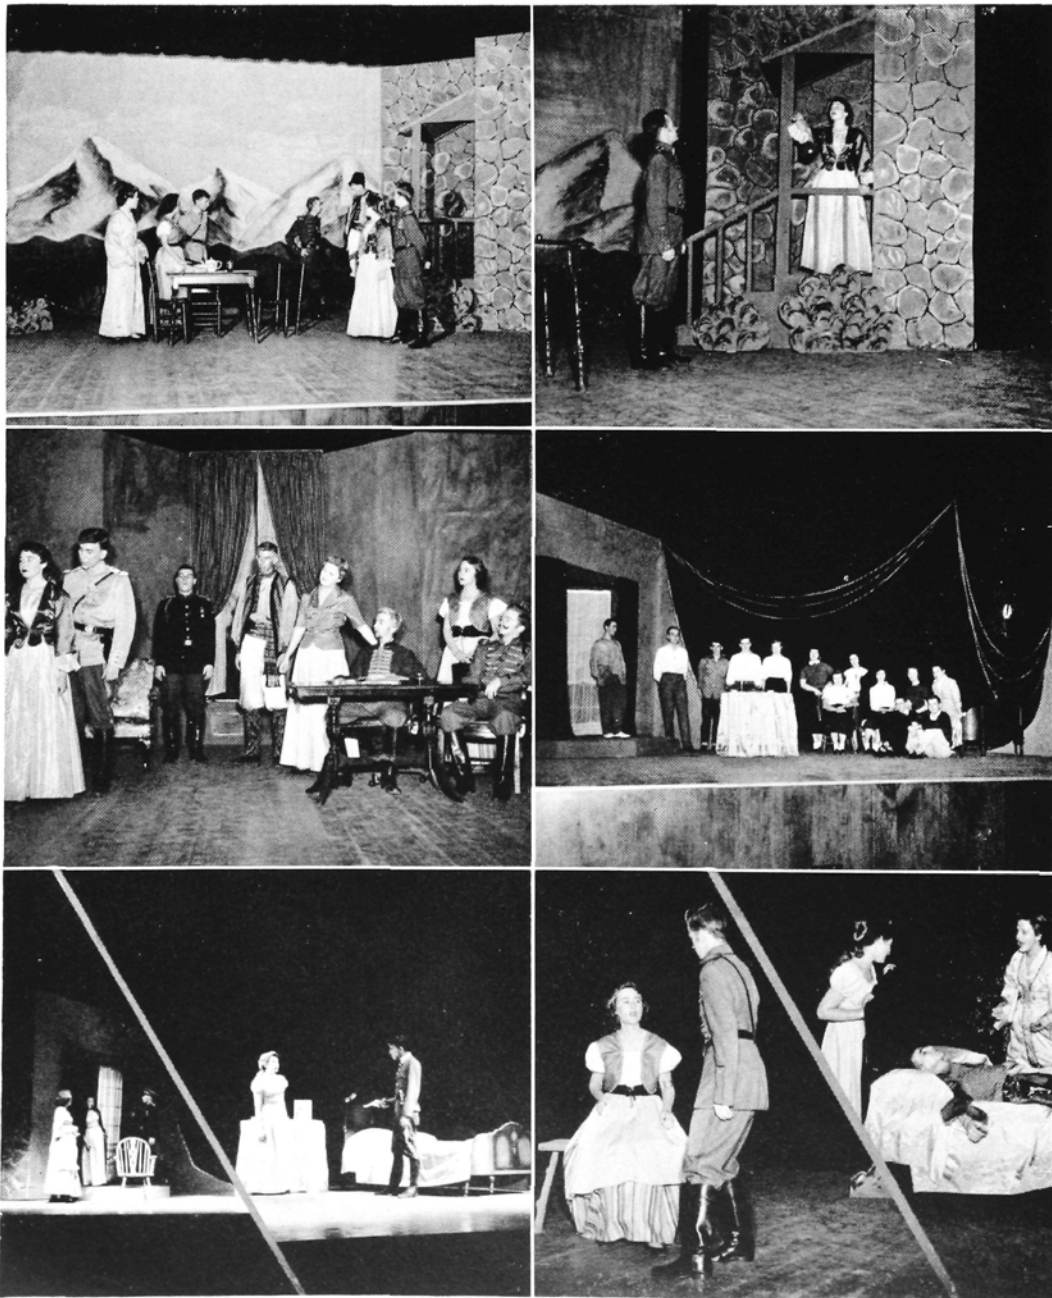

Guiding the club in its efforts this year were its officers: Johnny Abernethy, *President*; Betty Mullinix, *Vice-President*; Pat Mize, *Secretary*; Bronna Deaton, *Treasurer*, and Miss Jane DeSpain, *Advisor*.

For its initial production of the 1955-56 season, the Tower Players chose George Bernard Shaw's brilliant satire, "Arms and the Man."

While many amateur groups refuse to attempt Shaw with his subtlety and barbed wit, the Tower Players won excellent notice for their skill in producing "Arms and the Man." After the first performance, a review, captioned "Tower Players Capture Sparkling Wit of Shaw," appeared in the *High Point Enterprise*, High Point's daily paper.

In this delightful satire, from which the operetta "The Chocolate Soldier" was taken, the author pokes fun at the belief of some people in the romantic glory and honor of war. The action of the play takes place in Bulgaria in 1885 and is based upon a war between Serbia and Bulgaria. From this background, Shaw developed a plot rich in polished but lively dialogue and amusing incidents.

The crews and cast, under the skillful direction of Miss DeSpain, combined to make this difficult production a success. A very able cast brought the play to life and turned in a commendable performance. Because the script required three sets, the stage crew had an added task which it han-

# Players

MISS JANE DESPAIN

dled very well. The properties, costume, and make-up crews also worked hard to make "Arms and the Man" one of the most successful dramatic ventures of the Tower Players.

## "GLASS MENAGERIE"

A talented cast, excellent lighting, an extremely realistic set, and skillful directing all added up to a memorable performance of Tennessee Williams' "Glass Menagerie."

This dramatic memory play which includes in its scope the entangled emotions and unrealized ambitions of four people is filled with pathos and gentle humor. In 1945, after running on Broadway for over a year, "Glass Menagerie" was chosen as the prize-winning play of the year.

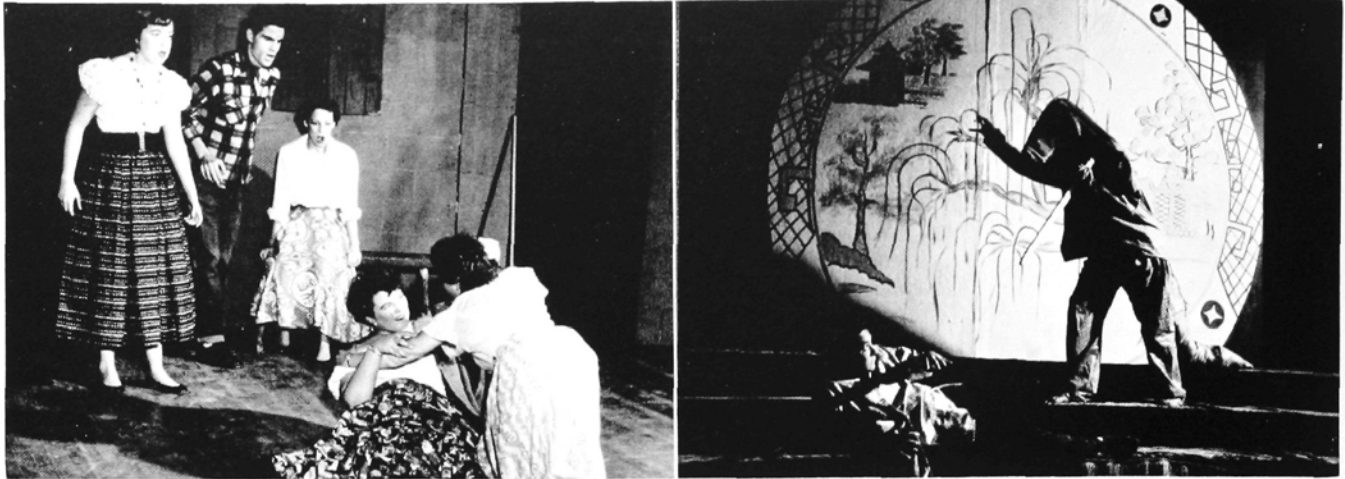

## "NICK OF THE WOODS"

In May, 1955, a cast of thirty-two appeared in Tom Taggart's edition of the rollicking early-American comedy, "Nick of the Woods." The play was produced and performed in true 1890 vaudeville style. An enthusiastic audience sighed with the heroine, applauded the hero, hissed the villain, and cheered for the frontiersmen in their struggles against the blood-thirsty Indians.

Original music for the production was composed by Dr. Lew J. Lewis.

## "Sunday Costs Five Pesos" and "The Willow Plate"

During the spring semester of 1955, the acting class, under the direction of Miss DeSpain, produced two one-act plays which were given at homecoming and in assembly.

Both of the plays have a pleasing foreign flavor. "Sunday Costs Five Pesos" is a charming little Mexican love story. "The Willow Plate" is a quaint Chinese play about the figures on a willow plate. It was performed very successfully in true Chinese style.

### Radio Workshop

Some people believe that radio is in its death throes and may cough its final kilocycle any day. Others say that it's merely changing its perspective, and that the modern trend of radio is variety and "new sounds."

If this is the index of modern radio, then High Point College radio productions during the past year were up to par.

Through the courtesy, facilities, and forbearance of station WHPE, we filled the ether with a variety of programs including panel discussions, dramatic interpretations of historical events, and concerts by the college choir and band.

Our "New Sounds" in radio could hardly be equalled. We offered such novelties as a man walking with four legs, horses that ran without going any place, and an ambulance siren wailing across a Civil War battlefield.

But, all in all, it was a good year, for High Point College radio productions, with everyone concerned deserving praise for their effort. Special tribute should go to Miss Jane DeSpain who often "died a thousand deaths" in the control room, and to Fred Herbert who recorded our programs and suffered through fifty playings of "The Grand Canyon Suite."

In addition to being a lot of fun, our radio productions were also educational (this being the original purpose). We learned the mysteries of sound effects, musical segues, special effects, and fading. Fading means moving off mike until you're no longer heard. This seems like a good note to end on, so here we'll just fade . . . K. S.

Without the help of many, many people, we could have never published your 1956 ZENITH. To the entire STUDENT BODY . . . they were our subjects; to the FACULTY . . . they let us interrupt their classes to get that all-important picture; to the BUSINESSMEN of High Point and surrounding areas; to MR. JEROME GOLDEN, our portrait photographer from Rapport Studios in New York . . . he gave us

his genius in photography for endless hours; to MR. SMITH, our advisor and friend from Edwards and Broughton Company in Raleigh . . . he helped us to balance our ideas and our money; and last, but not least, to all the MEMBERS OF THE ZENITH STAFF . . . we extend our sincere appreciation for helping us make the 1956 ZENITH the best yearbook ever published at High Point College.

From September through December, the ZENITH staff climbed the long flight of stairs to the top of Robert's Hall at all hours of the day and night. After passing through the lounge at the top of the stairs, the staff members opened the last door on the right and entered the world of the ZENITH.

This ZENITH world had its own peculiar appearance. The layout table was always covered with dummy sheets, rulers, pencils with no erasers, and copy that could never be found. The dust-covered cabinet on the desk contained all the precious pictures that Mr. Golden had taken in the basement of the girls' dormitory. Piled high beside the filing cabinet were innumerable yellow envelopes containing the seemingly hundreds of black and white photographs. Each morning, the maids found the floor covered with debris left by the copy staff the night before.

# Business Staff

# 1956

When the staff had to burn the midnight oil to meet deadlines, the cement floor became unusually hard and cold; but everybody knows that the ZENITH staff always worked on regardless of dates, quizzes, loss of sleep, cold floors, or any other inconvenience.

The business staff meetings at 10:20 on Friday mornings were held in a chaos of advertising contracts, stationary, lists of advertisers, with left-over annuals lying against the wall like relics. At the close of the meeting, the advertising contracts were filed in the big old desk, and the staff descended the long flight of stairs to sell more sixty dollar ads.

As the deadline drew closer, the aroma of coffee each night was always just the thing to relax and spur the staff on to make their visions a reality for you. The hope of all of us is that within the 1956 ZENITH, you will find the keys to memories of a happy year at High Point College.

When spirits are lagging and there's not much of interest on the campus, the bi-monthly injection of the *Hi-Po* helps to revive drooping minds.

A sure fire spirit-reviver around the campus of High Point College is the bi-monthly appearance of the *Hi-Po*. Written and edited by the students, this publication strives to print news of interest about High Point College and to serve as a means of expressing student opinion.

Contrary to popular belief, the *Hi-Po* is not just news sheet and printer's ink, but is compounded of vital elements such as conscientious effort on the part of each staff member, cooperation between the editor and his staff, an even temper when make-up time comes and a huge hole glares up from the set plates, perseverance, and limitless patience.

Standing by with ever-ready understanding and reassurance are the advisors to the *Hi-Po*, Professor A. S. Withers, Miss Louise Adams, and Mr. Mark Eby.

Epsilon Sigma Omicron, a professional sorority for home economics majors and others taking elective courses in home economics, was chartered in 1953. The name comes from the Greek words "epstem" and "oikon" meaning "science of the household." The coat of arms is a white shield with a navy border and the following symbols: a chain, representing the strength of a group bound by loyalties; a key representing homemaking; and symbols at the top and bottom of the shield signifying the first or most important member of the household.

The sorority, in addition to regular meetings and educational programs, completes various service projects. This year the group gave an American Thanksgiving party for the foreign students, dressed dolls for the Salvation Army to distribute at Christmas, and filled a basket for a needy family in the city.

## Student Government

“The purpose of this organization shall be to develop student honor and self-control, to encourage right ideals and promote personal responsibility, and to foster the principle of self-government.”—Article II, Purpose of the Constitution of the Student Government Association.

The school term of 1954-55 saw a momentous improvement as the new student government constitution cut its first teeth. As is true of any new and growing thing, the constitution felt the definite “growing pains,” mistakes, wrong turns, and bumpy roads, but the sympathetic co-operation of faculty and student body soothed and healed these pains.

The Executive Council acts as a coordinating unit for the other branches, reviewing legislation, bringing cases to the Judiciary Council, and other duties.

The Student Legislature acts on bills, resolutions, and recommendations brought up by the delegates on matters pertaining to students and campus life in general.

Hardy Tew, president of the High Point College student body, appears in the upper photograph and also is with the other top officers in the lower photograph. These officers: Hardy Tew, *President*; Ernest Ball, *Vice-President*; Lorraine McCurry, *Secretary*; John Abernethy, *Treasurer*; led student affairs with efficient jurisdiction this year.

## Judiciary Council

Dixon, Chief Justice; Delbert Kirkman, Junior Class; Sylvia Fox, Women's Dormitory Council; Murphy Osborne, Sophomore Class; Avie Gunn, Women's Dormitory Council; Bob Harris, Freshman Class; Barbara Morrison, Day Students; John Powell, Men's Dormitory Council; Larry Strange, Day Students. Not pictured: Charles Williford, Senior Class.*

The Judiciary Council tries cases of infractions of rules by students and will act as an appellate court for decisions of dormitory council, and for the settlement of other cases.

One of the first problems facing the new Student Government Association was the enforcement of the "freshman beanie" law, which requires all freshmen except veterans and married persons to wear their "beanies" until the Thanksgiving holiday.

This year the Student Government Association sent seven delegates to the State Student Legislative Assembly in Raleigh, North Carolina, and the opportunity of meeting and communicating with other students and hearing their experiences in student government were of invaluable aid to our own leaders in determining what was best and right for High Point College.

The Student Government Association sponsored the Freshman Orientation Program, the Freshman Talent Show, the May Day Dance, and held open house after each home basketball game. The association also issued student identification cards to the students for their use and convenience.

In this, the first full year in which the tri-partite government has been utilized, the leaders have set a precedent for future policy. They are to be commended highly for their sincere and conscientious efforts on behalf of the students of High Point College.

## Day Student Council

The day student group, which is one of the largest of the campus organizations, elects a council to work in co-operation with the Student Government Association.

Day students take an active part in many of the organizations on the campus and are represented on the Judiciary Council of the Student Government Association.

Each spring the Day Student Council sponsors some form of entertainment, such as a picnic or dance. This year for the first time, the day students voted to set aside from their treasury a \$100 scholarship to be used by a deserving boy or girl from the Winston-Salem Children's Home toward his expenses at High Point College.

## Woman's Hall Council

Learning to live with others is as much a part of education as that philosophy class that meets three times a week. Instead of meeting in a formal classroom, this course is held in the dormitories of college campuses. It has such assignments as: sharing with others, respecting the privacy of others, and making friends. The friends we make in the dorm will be ours for the rest of our lives.

Woman's Hall Council provides responsibilities and duties for the girls as well as plans for their fun at pajama parties and birthday parties.

## McCulloch Hall Council

"I can't get in my room!" . . . "Who blew the fuse?" . . . "You guys knock off the racket!" . . . all this and much more is heard during the day at the office of McCulloch Hall. The officers of the Dormitory Council are called on many times during the day to help some resident with his troubles. Besides these duties, the Dormitory Council also handles minor infractions of the rules, and, in general, tries to make dormitory life at High Point College as comfortable as possible.

## Future Teachers of America

Since its founding at High Point College, the Calvin Wiley Chapter of the Future Teachers of America has attempted to give its members a true concept of the professional ethics and duties of the public school teacher. It encourages present F.T.A. members to continue national and state affiliation with the Educational Association during their years of teaching.

Programs on various aspects of education have been presented at the monthly meetings by Miss Ruth Worthington, of the Education Department, the Reverend Robert G. Tuttle, of First Methodist Church, and other local leaders.

Officers for the year have been Mary Alice Milbury, *President*; Ronald Everett, *Vice-President*; Pansy Livengood, *Program Chairman*; Gelene Hutchins, *Secretary*; Wayne Brewer, *Treasurer*.

Mr. Coble and Dr. Moffitt are sponsors for the group.

## Kappa Sigma Delta Honorary Educational Fraternity

Kappa Sigma Delta, educational fraternity at High Point College, seeks to increase an interest in education and teaching. Membership is open to those who are upperclassmen with majors or minors in education, psychology, religious education, physical education, business education, and music education. The local chapter is working towards securing membership in the National Honorary Educational Fraternity, Kappa Delta Pi.

Guiding the organization in its activities this year have been its officers: Wayne Brewer, *President*; Bill Tyson, *Vice-President*; and Rosa Jarrett, *Secretary-Treasurer*. Faculty Advisor for the group is Dr. James W. Moffitt. All faculty members teaching psychology and education are honorary members of Kappa Sigma Delta. These include Dr. Cooke, Dr. Conrad, Mr. Hays, Mr. Dodomead, Miss Worthington, Dr. Hinshaw, and Mr. Coble.

## Veterans' Club

Showing their willingness and readiness to support High Point College, the *Veterans' Club* has become an active organization on the campus.

Realizing the influence they might have, the active members of the club have sought to establish an organization which would reflect the attitude, desires, and ambitions of the majority of the students. Believing firmly in the necessity of maintaining an atmosphere conducive to learning, the members have labored constantly to implement those policies of the club, the school administration, and the student legislature which tend to enhance learning and the development of all desirable human qualities. The interest and enthusiasm prevalent during past meetings attest to the degree of success achieved in the realization of the club's aims.

## International Relations Club

The only requirement for membership in the *International Relations Club* is a vital interest in "what's going on in the world."

During this year, the monthly meetings have featured interesting speakers, slides, and travel programs. The first meeting of the year featured Dr. Dennis H. Cooke, who spoke on his experiences in Europe and the Holy Land.

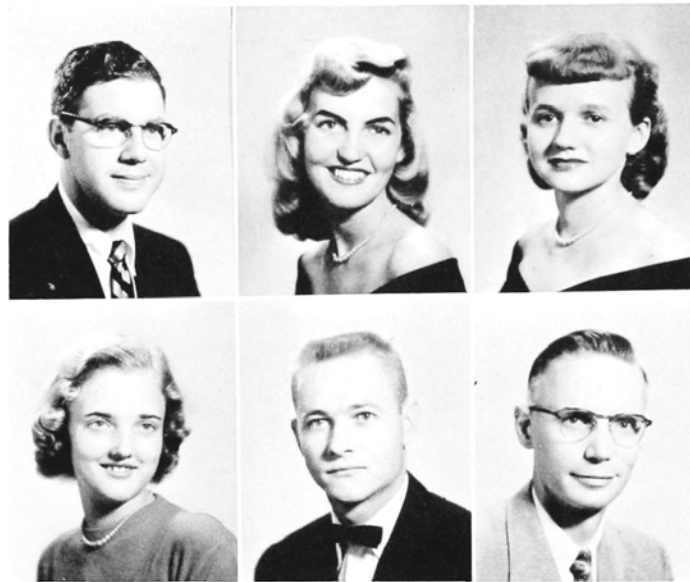

Other activities of the group have included participation in a forum on international relations held in Greensboro under the auspices of the *United Council of Christians and Jews*. The local organization was represented at the *Southern Regional I.R.C. Conference* in Atlanta by Paul Moss.

Officers for the year were: Ruby Ragan, *President*; Pansy Livengood, *Vice-President*; Mary Alice Milbury, *Secretary-Treasurer*; Wayne Brewer, *S.G.A. Representative*; Ronald Everett, *S.G.A. Alternate*. Professor Robert MacDonald has served as faculty sponsor for the group this year.

# Future Business Leaders of America

Future Business Leaders of America mix business with pleasure through meetings and social activities. Movies, speakers, and interesting programs give opportunities for development of qualities of leadership. As members of a national organization members gain helpful experience through attending national and state conferences.

The officers of the Future Business Leaders of America as pictured above, are: Joseph B. Siceloff, *President*; Lorraine McCurry, *Vice-President*; Beverly Heavner, *Secretary*; Jo Lutz, *Treasurer*; Pete Frazier, *S.G.A. Alternate*, Ralph V. ### COACH VIRGIL YOW

The 1955-56 basketball season marked the sixteenth year that Mr. Virgil Yow has served as basketball coach here at High Point College. Mr. Yow coached High Points' teams prior to 1945 when he entered the industrial ranks. Returning to High Point in 1953, Coach Yow has untiringly devoted his efforts to producing a team that could win consistently. This goal, though not realized, is closer to reality than it was three years ago when Mr. Yow resumed the responsibility of coaching our Purple Panthers.

### HIGH POINT COLLEGE SPIRIT

As a student progresses through college he becomes more aware of a peculiar feeling within, which tends to make him more concerned with his college's "ups and downs." This feeling, like a pain, cannot be seen, but it certainly can be felt. Ask anyone who attended a High Point College basketball game last season. College spirit, while pertaining to activities other than basketball, receives the greatest emphasis in that sport,

and cheerleaders play a vital role by leading and trying to increase that spirit at the game. H.P.C.'s cheerleaders did their job very well, in spite of rough sledding at times. They seemed to be doing their best at all times, not just when H.P.C. was winning. This factor should increase our respect for the wonderful way in which they performed. Cheerleaders, congratulations for a fine season of cheering.

The Purple Panthers began the season in grand style by winning eight games before they left High Point to go on a game-playing tour during Christmas vacation. Highlighting the early season play was a sparkling triumph over A.C.C. In the games before Christmas holidays the Panthers passed the century mark on six occasions. The Christmas trip was fairly successful as H.P.C. took four games out of six. The Purple Panthers probably turned in one of their finest offensive performances of the season against the Paris Island Marines to gain one of those victories. Against Elon, Jack Powell sustained an ankle injury which handicapped him and the club for several games. The remainder of the season proved to be very disappointing since High Point was able to win only four games before the end of the regular season. One of those victories, however, was against a big and potent Lenoir Rhyne team. Finishing the season in sixth place, the Panthers qualified for the North State Conference Tournament where they were eliminated by Lenoir Rhyne in the first round. During several games this season, the Panthers looked unusually good, but in spite of their bright spots, they had a mediocre season. There were probably many reasons for this. Two which were apparent on various nights were lack of rebounding and the lack of hustle. Jack Powell did a magnificent job on the boards, but he just did not receive enough help.

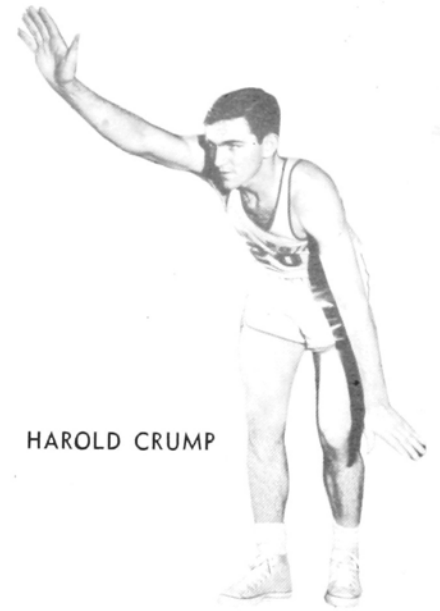

Now that the season is over the eyes of all students are turned to next year. There is one thought common among

# the Prowl

the students: "Maybe next year will be our year." When questioned about the Panthers both of the present and in the future, Coach Yow stated, "We are building slowly on a sound foundation because enduring progress takes time."

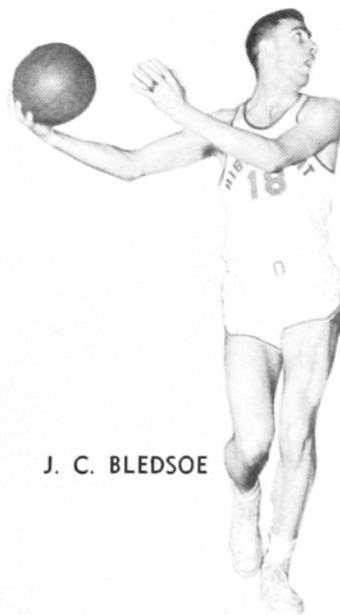

The High Point College Purple Panthers displayed great talent on several occasions this year. Jack "Mr. Rebound" Powell performed well enough to be unanimously named to a berth on the all-conference team. Jack also led the team's scoring with 18.5 points per game. Bill Huegele was second highest scorer with a 15.2 average. Bill's floor play improved along with his scoring ability, and he and Powell were the only boys who consistently played good ball throughout the season. Harold Crump finished the year in a blaze of glory by finding the basket much too often to suit H.P.C.'s opponents. Bobby Dunbar, whose defensive play has improved considerably over that of last year seems to have great promise as a Panther. Tom Payne, the "little" rebounder did his best to aid Powell with the rebounding chores, but the Panthers were still weak in that department. Paul Stanton and Phil Crockett, both of whom played very well in sports, seem to have good possibilities. Maury "Buckshot" Beauchot and Ken Williams, two freshmen, aided the Panther's play considerably at times. Maury, a fast-moving guard from Indiana, combined his talents with those of Bill Huegele to give High Point a pair of the better guards of the conference. Only one Panther, J. C. Bledsoe, will graduate this year; therefore, next season will find High Point College with an experienced basketball team.

The site of the 1956 edition of the North State Basketball Tournament was Lexington, North Carolina. The Purple Panthers of High Point College were supported by the enthusiasm of a spirited student body when they made their entrance into the tournament on Thursday, February 23, against the Bears from Lenoir Rhyne. During the season

High Point and Lenoir Rhyne had split a pair of games; therefore, their meeting at Lexington was the deciding game. Lenoir Rhyne, due to a good conference record, was favored. After a thrillingly close first quarter, the Bears pulled ahead of the Panthers and remained there to win the game by a score of 67 to 83.

## JAYVEE BASKETBALL

The Baby Panthers, showing much improvement, ended their season with a satisfactory 19-12 record. Coach Hoover's charges developed a keen team spirit which contributed to their successful season. Larry Swiggett led the team in scoring with 23.5 points per game while Art Taylor's play-making and defensive ability provided the spark under pressure. Charles Watson showed great

improvement during the season, and along with Jim Parrish and Luke Livingston gave the club its rebounding power. Coach Hoover, pointing towards developing varsity material, seems to have done a very fine job in his debut as jayvee coach here at High Point. Congratulations, Coach Wayne Hoover!

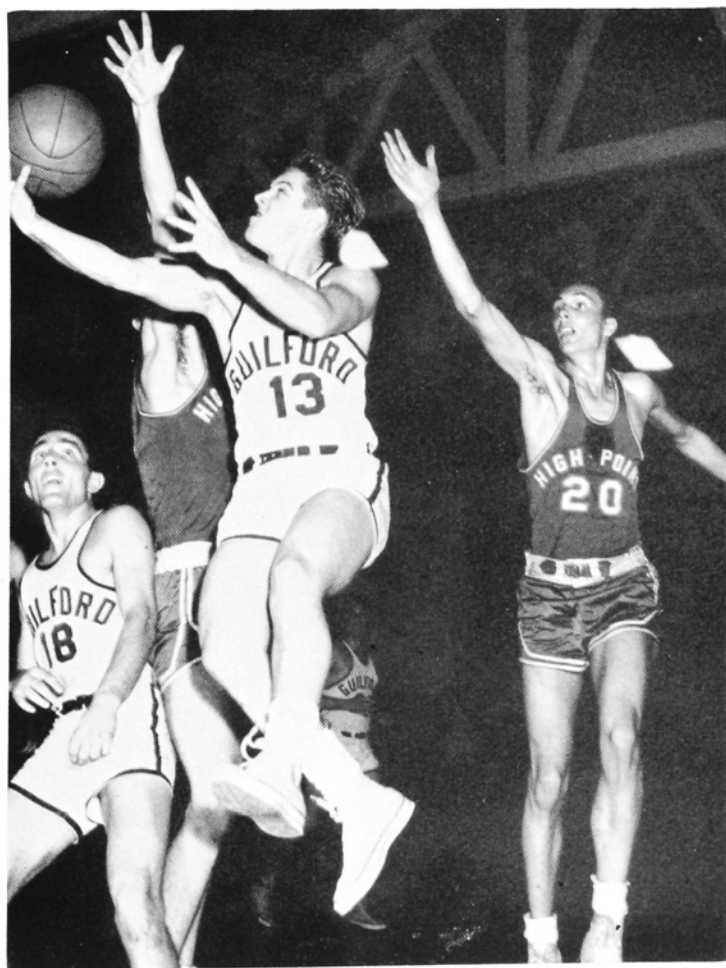

### WAYNE HOOVER, JAYVEE COACH

Coach Hoover received his B.S. degree from High Point College and his M.A. degree from Peabody College in Nashville, Tennessee. Mr. Hoover came to High Point this year after successfully coaching in the high school ranks for the past seven years; the last four were at Pilot High School. Coach Hoover's capable leadership of High Point's Jayvee Team plus his warm friendliness has earned for him an exclusive position on the campus of High Point College.

# Concert

This year, for the first time, the community concerts were held in the High Point College Memorial Auditorium. The appearance of such artists

as Mimi Benzell, soprano, Van Cliburn, pianist, Mata and Hari, and the Beaux Art String Trio added a cultural highlight to our college life.

# Junior Class

*"We'll Make It Yet"*

Here we are, standing on the threshold of the second half of our college life. We are juniors now. We have reached the half-way mark and feel that we have accomplished quite a feat for ourselves.

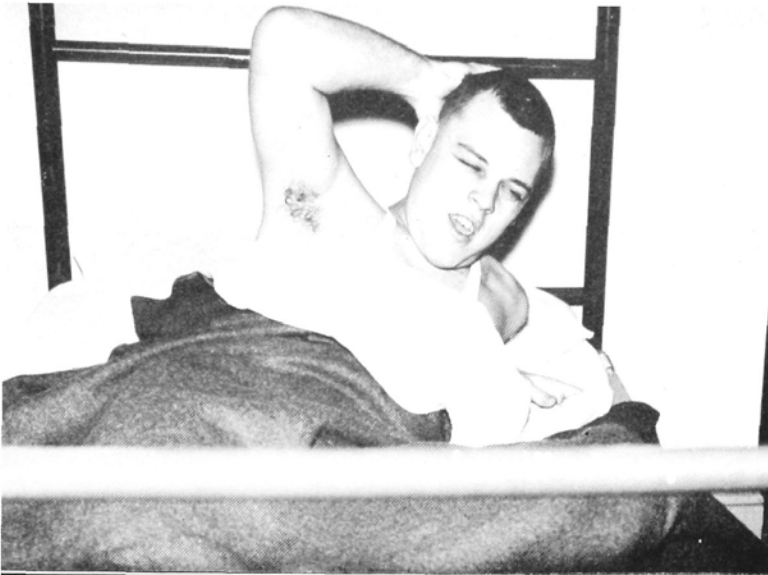

The first thrill of this year was signing up for major courses. Now we talk importantly about primary education, English, history, religion, and chemistry. Halls at night sound like symphonies of typewriters as those all-important term papers begin to develop.

Time was fleeting, and soon the long-awaited Christmas holidays came around the corner, and we realized that May, 1957, was not too far in the future. Saint Nicholas added "sparklers" to many left hands . . . and more people signed up for Sociology 7.

Second semester came, and suddenly it was time for elections. We realized that Student Government leadership was our responsibility. We were to step into the empty shoes left by the Class of '56.

Spring blossomed forth as we planned to give a junior-senior banquet that the Class of '56 would never forget, and to our scrap-books more fond memories of H.P.C.

And now, having laughed, played, worked, and loved through another joyous year, we wave farewell to a wonderful senior class and breathlessly get ready to take its place. Soon we shall be coming back for the last time to H.P.C.; glad, many of us, that is for the last time, but most of all, glad that we are coming back.

An early riser. . . ?

## High Point College Choir

Our college choir, under the direction of Mr. Richard Cox, adds a great deal of enjoyment to our college life. Its members provide special music for chapel programs, graduation, and other college functions.

In December, the choir made its first out-of-state tour, appearing in Roanoke, Virginia; New Castle, Delaware; and Westminster and Hyattsville, Maryland. The spring tour took the choir to the eastern part of the state with singing engagements in Raleigh, Greenville, New Bern, Wilmington, and Fayetteville.

The choir presented a Christmas program and a spring concert in Memorial Auditorium with the High Point Symphony Orchestra.

# Concert Band

This year the concert band was heard on the campus in three concerts, and in many pep rallies and basketball games. A radio program was presented each semester. In January the band played a concert at Fort Bragg and later performed in local high schools. A tour of Western North Carolina was arranged for March, 1956.

# High Point Symphony Orchestra

Directed by Dr. Lew J. Lewis, the High Point Symphony Orchestra offers us the best of talent from the community, students, and faculty. In addition to presenting a full concert in April, the orchestra assisted the choir in the Christmas concert.

# Women's Glee Club

Girls from all of the four classes form the Women's Glee Club which sings for pure enjoyment. This group appears in the seasonal concerts presented by the Music Department and is directed by Mr. Richard Cox.

# Men's Ensemble

These "gentleman songsters," led by Mr. Cox, have given an added spark to the musical program on campus. Their lively rendition of "There's Nothing Like a Dame" has become a favorite with local audiences.

# Swing Club Orchestra

This has been the first year of existence for the dance orchestra. Organized to provide music for campus dances, this group also enjoys getting together for private "jam-sessions."

## 1955 Champions

The netmen of High Point College led by the sparkling performance of Mike Reyes-Varela continued their domination of the North State Conference by copping the championship for the eighth time in the last nine years. Coached by Mr. J. F. Jones, the tennis team improved with each match. After losing a match near the opening of the season, the H.P.C. baseline wizards knocked off the next fifteen games in a row and ended the season with an over-all record of 16-1 and a conference record of 10-0. Giving strong support to Mike in his superb play were Bill Huegele, Vince Leong, and Bill Eller. Mike Reyes-Varela closed out a spectacular

tennis career at H.P.C. by winning the singles championship at the North State Conference Tournament. During his four years as a member of the Tennis Team of High Point College Mike never lost a set in conference play. Quite a record! Following closely in his footsteps is Bill Huegele who finished second in the NSCT singles matches; Bill lost only to the invincible Mike during last season. Admitting that graduation took a great deal of talent from the team, Coach Jones is relying on the returning nucleus of Bill Huegele, Ray Whicker, and Tom MacMahon to provide the foundation for another successful tennis Hercules.

# Baseball '55

## 1955 BASEBALL SEASON

The 1955 baseball season brings several sad memories to our minds. The High Point nine suffered throughout the season from inexperience. Elwood Maybry, anchor of the pitching staff, was the only letterman returning from the '54 squad. With an abundance of rookies the yowmen succeeded in winning only two and dropping eighteen. Both victories came at the expense of Guilford. Springing to the forefront through the fog of defeat were three boys who displayed better than average talent. In spite of a leg injury which hampered his slugging ability, Bill Kiser, H.P.C. first-baseman, led the team in hitting with a .323 average.

The pitching staff was bolstered by the efforts of Frank Miller and Bill Huegele. Miller, pitching sporadically, once went twelve consecutive innings without allowing an earned run. "Mr. Versatility," Bill Huegele, was credited with both of the club's victories over Guilford. The true value of the 1955 baseball season is not clearly seen in the won and lost record, but in the valuable experience gained by members of the team. Considering this experience, the baseball future of High Point College appears much brighter than a glance at its record reveals.

# Senior Class

*"Beginning of the End"*

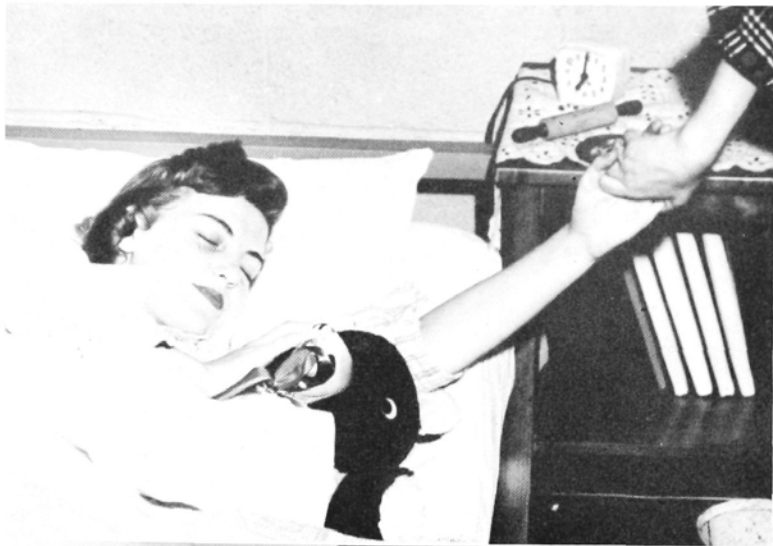

With Phil playing the lead, and our own Mr. Withers as stage manager, the Class of '56 took its place on stage for this, the last act of our performance. The curtain rose in September with the shout, "Look everybody, we're Seniors."

We came back this last September to begin the year of promise—we were the Class of 1956. As seniors, much was demanded of us, and much was given—our time, our energy, our enthusiasm. We worked hard and earnestly to make a real contribution. We accepted our "responsible freedom" and the positions of leadership that came with it. We started the year with a yen toward the future; now we are casting glances over our shoulders wistfully envying the freshmen.

Ours was the first class to realize the convenience of walking any place on campus without getting muddy feet. We saw the expansion of a building program which was to enlarge our school by four new buildings and numerous improvements. High Point College was growing and we were proud to be a part of it.

It is true that we have grumbled through four years of hard work and long hours, but May of 1956 will come too soon for most of us. But before we assume the role of "has beens" we want to express this once, our heartfelt thanks, to all the people who have made these four years possible—our parents, our teachers, and our class leaders.

We are now alumni, parties to the Latin term which simply means "those who have gone away." And the things we do have an air of being "first" now, not last, and certainly not final. This is another beginning, perhaps the best of all.

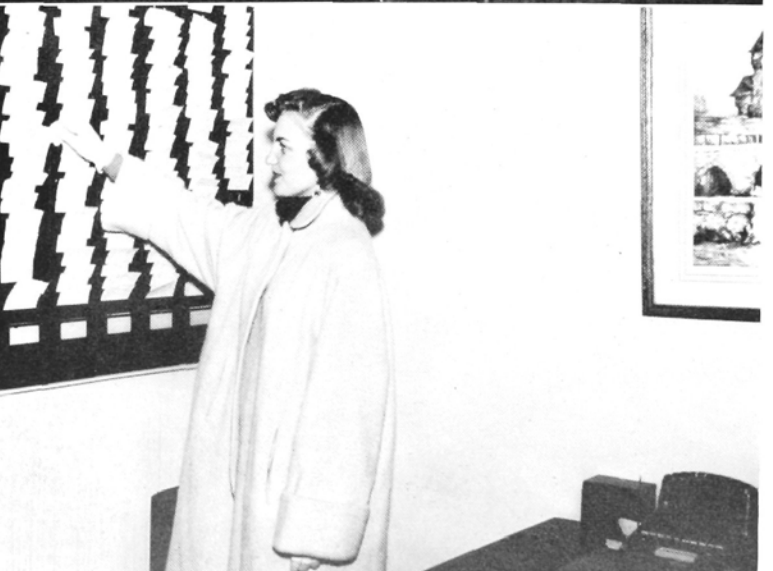

Up in the morning . . . with some struggle.

"That book has to be here somewhere. . . ."

A moment at the bookstore to break the class routine.

Then boost the morale with a big night out.

OFFICERS, left to right: Margaret Westmoreland, Secretary; David Moore, Vice-President; Mary Lou Lanier, Treasurer; Phil Mowery, President.

# FAST FURNITURE FACTS

DID YOU KNOW? . . . that High Point College is located in the heart of the greatest concentration of furniture production in the world.

DID YOU KNOW? . . . that within 150 miles of the campus there is manufactured over 50 per cent of all the bedroom furniture and over 40 per cent of all the dining room furniture produced in the United States.

DID YOU KNOW? . . . that over 20,000 retail furniture buyers from every state in the union visit High Point annually to shop and buy from sources that are nationally recognized for the high quality of the design, materials and construction of their merchandise.

Salute to the Graduates of 1956  
from the Manufacturers of

Work 'n' Play Clothes

On the threshold of a life career it can well be remembered that he who resolves to work need never be a problem to himself or others. Opportunities multiply as they are seized; they die when neglected. Life is a long line of opportunities. Wealth is not in making money, but in making the man while he is making money. Production, not destruction, leads to success. Every good fortune to you.
